Where are you, guys?

You're like never at home

Or you're not in the city or something, but...

Call me! This is Kerra, 818-?!?-0333

I'm tired of you

Somebody pick up the phone and call my number, Bye!

Baby, you keep calling me

Is it 'cause we got what you need?

Baby, why you keep calling me?

Are you trying to get the recipe?

Do you want to get with Swab?

Do you wanna get with J-Dant'e?

Do you wanna get with Mav'?

Wanna get at PZ?

Girl, you keep calling

Trying to get the recipe

To fulfill your fantasies

We got just what you need

Just add a little Mav' and a pinch of PZ

Factor in some Swab and a shot of J-D

You keep calling me

Trying to get the recipe

'Cause we got just what you need

To fulfill your fantasies

Baby, you keep calling me
Is it 'cause we got what you need?
Baby, why you keep calling me?
Are you trying to get the recipe?

Do you want to get with Swab?
Do you wanna get with J-Dant'e?
Do you wanna get with Mav'?
Wanna get at PZ?
