Um, um, oh yeah, yeah, yeah
Oh, baby girl, baby girl
Oh, baby girl, baby girl
Oh yeah, yeah, alright
(Yo, who you talkin' to?)

So who you on the phone with?
Are you talkin' to your girlfriends?
You know they kinda shady
Don't believe what they say, lady
(Come and take a walk with me)

Long walks in the park
Kisses after dark
Promises from the heart

Beepin' 911
When you call, I'll run
Love takes me to your arms

Now you say that I've changed
But it's you who's acting strange
When I gave my heart
I swore it was forever

So if this is the rain
Love will get us through the pain
I'll stand by your side
Through the stormy weather

Baby, trust your heart
(Oh yeah)
And put it in my hands
Jealous friends will only tell you lies

Put your faith into someone who really cares
'Cuz your friends, they live in jealous skies
(Jealous skies)

Baby, tell me why? Oh why?
The truth needs alibis
Seems a good man can't win

And even when your friend
Pushed up on your ten
I would not freak us in

Now you say that I've changed
But it's you who's acting strange
When I gave my heart
I swore it was forever, baby

So if this is the rain
Love will get us through the pain
I'll stand by your side
Through the stormy weather, baby
Baby, baby, baby

Baby, trust your heart
(Trust in your heart)
And put it in my hands
Jealous friends will only tell you lies
'Cuz your friends will only tell you lies)

Put your faith into someone who really cares
'Cuz your friends, they live in jealous skies
(In jealous skies)

If you got a question
That's burning in your heart
Question your love
And the vows you made from the start

Check your inner feelings
'Cuz they will never lie to you
'Cuz I'll be around, girl, forever down
And I'll always be true to you

Baby, trust your heart
And put it in my hands
Jealous friends will only tell you lies
'Cuz your friends will only tell you lies)

Put your faith into someone who really cares
(Faith, oh yeah, yeah)
'Cuz your friends, they live in jealous skies
(In jealous skies)

Baby, trust your heart
(Trust your heart)
And put it in my hands
(Oh yeah, yeah)
Jealous friends will only tell you lies

(I don't care what your friends say, oh no, no, no, no)

Put your faith into someone who really cares
(I'm someone who really cares)
'Cuz your friends, they live in jealous skies
(They live in jealous skies)

Baby, trust your heart
And put it in my hands
Jealous friends will only tell you lies

Put your faith into someone who really cares
'Cuz your friends
