Make it, make it, make it hot
Yeah, you know something?
Ladies always saying, I'm too old for you
You're too young for me

But you know something?
Age, it really shouldn't matter
As long as I know how to do it right
You know what I'm sayin'?
Hey man, kick the verse
(I said I got a story)

She came in town on business
And I was just hangin' around
At first I never expected
Something that might go down

But still I must admit I was checkin'
Checkin' out the way she smiled
Next thing I knew, I was steppin' to her
She tried to play it like she runned out an affair

I don't wanna hear about
Things you can't do
'Cuz you can really do it if you
Wanted to

And I don't want you to tell me
Tell me what you won't do
Baby, just do what you feeling
How to do it too?

I approached her in a conversation
I just had to talk
She told me that she used to be engaged
But she called it off

Then the question came
Why can't girls today tell me your age?
Girl, it doesn't really matter
Let's just get together

I don't wanna hear about
Things you can't do
'Cuz you can really do it if you
Wanted to

And I don't want you to tell me
Tell me what you won't do
Baby, just do what you feeling
How to do it too?

I could be the nigga to get witcha
Be the one to hitcha
Lucky ain't had a hit in a very long time
Can I, can I, can I, can I
Go creep with you tonight?
Kiss your, kiss your body tonight
Touch you, touch you tonight, hold you tonight
Baby I

I don't wanna hear about
Things you can't do
'Cuz you can really do it if you
Wanted to

I don't wanna hear about
Things you can't do
'Cuz you can really do it if you
Wanted to

And I don't want you to tell me
Tell me what you won't do
Don't tell what you won't to
Tell me what you can do, baby

I don't wanna hear about
Things you can't do
'Cuz you can really do it if you
Wanted to

I don't want you to tell me
Tell me what you won't do
Baby, just do what you're feeling
And I'll do how to do it too?

I could be the nigga to get witcha
Be the one to hitcha

I could be the nigga to get witcha
Be the one to hitcha

I could be the nigga to get witcha

Be the one to hitcha
