Never could see past the skin
They make you believe
Beauty's from within
Don't know why
'Cause it's just not true
I could never be apart
Of something I did not help to start
Don't know why
It's just how I am
When I want something all I do is smile
Smile

Don't know how long
Fall out
We'll last
But we'll find the higher ground

Never did understand the line
You can tell that someone is telling the truth by their
eyes
It's just not true
I could never be apart
Of something I did not help to stop
Don't know why
It's just how it is

When I want something all I do is smile
Smile
Don't know how long
Fall out
We'll last
But we'll find the higher ground

Don't know how long
Fall out
We'll last
But we'll find the higher ground

I'm done with the life of a poolshark

Don't know how long

Fall out
We'll last
But we'll find the higher ground.
