Something has changed within me.  
Something is not the same,  
I'm though with playing by the rules of  
someone else's game.  
Too late for second guessing  
Too late to go back to sleep  
It's time to trust my instincts  
Close my eyes and leap  
It's time to try defying gravity  
I think I'll try defying gravity  
Kiss me goodbye I'm defying gravity  
And you won't bring me down  
I'm though accepting limits  
Cause someone says they're so  
Somethings I cannot change but 'till  
I Try I'll never know  
Too long I've been afraid of losing  
Love I guess I've lost  
Well if that's love it comes at  
Much too high a cost  
I'd sooner by defying gravity  
Kiss me goodbye I'm defying gravity  
I think I'll try defying gravity  
And you won't bring me down  
Unlimited...  
My future is unlimited  
And I just had a vision almost  
Like a prophecy  
I know it sounds truly crazy  
And true the visions hazy  
But I swear someday I'll be flying so high  
Kiss me me good-bye  
So if you care to find me  
Look to the western sky  
As someone told me lately  
Everyone deserves the chance to  
Fly!  
I'm defying gravity  
And you won't bring me down  
Bring me down!  
Bring me down!  
Ahhh-Ahhh!
