Slowly
Softly
Please serenade me, I'm here
Restless
Reviving
River of life, you are here

Tell me you love me
Tell me you see me
Show me your laughter
Feed me
Tell me you love me
I'll know what you need
Raise your hand
And reach for me

Reach for me

Silent
Slumber
Sweetheart, your thunder is my thorn
Bathing
Beauty
Ballad of bliss, you are born

Tell me you love me
Tell me you see me
Show me your laughter
Oh, won't you feed me

Tell me you love me
I'll know what you need
Raise your hand
And reach for me

Oh baby, won't you reach for me

Pretty
Precious
Prism in darkness, you make me proud
Fragile
Fondly

Finally, a new day we have found

Tell me you love me
Tell me you see me
Show me your laughter
Oh, won't you feed me
Tell me you love me
I'll know what you need
Oh baby, won't you raise your hand
Won't you raise your hand
And reach for me
