The golden shore of certainty,
And riding on simply,
Because theres nothing else to do,
When nothing ever gets done but,

I can see,
The day turning bright,
Up ahead; Up ahead,

I can see,
The day turning bright,
Up ahead,

The pleasant odor of apathy,
An everlasting,
Peace of mind that comes with time
And smashing through the windshield of,

I can see,
The day turning bright,
Up ahead; Up ahead,

I can see,
The day turning bright,
Up ahead

Could you tell me where will you be
When the light is taking over everything
Could you tell me where will you be
When the light is taking over everything

I can see,
The day turning bright,
Up ahead; Up ahead

I can see,
The day turning bright,
Up ahead!

Better than I've ever known,
Better than I've ever known,

Better than I've ever known!
