Synaptic warfare
It's too cool to be true
Synaptic warfare
You know what you do to
Be one of the chosen few [x2]

Synaptic warfare
Sin cinema simulates the son
Synaptic warfare
Probably badly over run
Synaptic warfare
You swim too close to the sun [x2]

Synaptic warfare
Behind sane plastic gun
Synaptic warfare
Buffer underrun
Synaptic warfare
You dissimulate the gun
Synaptic warfare

Far away from the start
To the point of no return
Check the stats you the star
Far away from the start

Overload with excess
Turned right after all
Overload with excess
Being wrong you are tall [x2]

Synaptic warfare

Your memory's gone
or absolute motion
you're just a dirty scum

Rolled as a rocking stone
All friendship modified
Why did you go this far [x3]

Check the stats you the star

Far away from the start

Overload with excess

Turned right after all

Overload with excess

Being wrong you are tall [x3]
