"Wake Up"

Woke up this morning,
And i don't wanna go,
Cause i've been thinking,
Of you and yours,
It hurts my head,
Better think of nothing,
I wish i could,
Feel like you do,

This time it's gone way too far,
My soul is burning i'm on fire,
Tears in my eyes i'm gonna cry,
You're dead, i live, i'm true, you lie,

Science's progress,
A trademark,
The world's a mess,
Everywhere you park,
Don't waste your time,
I know you lie,
I deal the cards,
Of my life,

This time it's gone way too far,
My head is burning i'm on fire,
Tears in my eyes i'm gonna cry,
You're dead, i live, i'm true, you lie,

Wake up, everybody now,
Wake up, feel alive now,
Wake up, make up your mind,
Wake up, fulfill your dreams.
