"City Hall"

I'll meet you outside the city halls,
I'll be standing on the step of the hall,
And we wait until I find you.

You said "Be there or be square and meet me outside
the
Hall".

Well how can I refuse such an elequent misuse of a
Phrase that I never would.

In the back of your mind,
You leave it alone,
But after you leave you'll be breathing alone.
Could I,
Could I,
Could I circle.
What could I,
Could I,
Could I circle.
What could I,
Could I,
Could I circle,
Could I. Ooooh.

We're still by the side of city halls,
And 5 minutes is a month in the past,
When noones waiting for find you.

And people stop and stare at the outside of the hall,
And other lifes we don't succeed,
But the rain in albient street,
Fills a silence that no worlds could.

In the back of your mind,
You leave it alone,
But after you leave you'll be breathing alone.
Could I,
Could I,
Could I circle.
What could I,
Could I,

Could I circle.
What could I,
Could I,
Could I circle,
Could I. Ooooh.

Could I,
Could I,
Could I circle.
What could I,
Could I,
Could I circle.
What could I,
Could I,
Could I circle,
Could I.
