I'm not that medieval, sometimes I write my thoughts  
down  
I can never remember who I am  
Who I am, where I am, what on earth I'm doing here  
What on earth I know

I'm not that medieval, sometimes I write my thoughts  
down  
I can never remember who I am  
Who I am, where I am, what on earth I'm doing here  
What on earth I know

What's going on out of the window now?  
What's going on out of the window now?  
No, no I'm agile, and everyone says that you're so  
fragile  
No, no I'm agile, and everyone says that you're so  
fragile

Aaaaaaaaaaaaaahh!

What's going on out of the window now?  
What's going on out of the window now?  
No, no I'm agile, and everyone says that you're so  
fragile
