Galveston, she was my only friend  
so I did and I don't want to talk about  
i did it with the flowers

and I said dead, galvestons dead, galvestons dead,  
galvestons dead  
galvestons dead, galvestons dead, galvestons dead  
I think he might be dead

Galveston and I were best friends  
at Junior high school we would walk and talk  
and walk and talk  
round fields of summer glass  
and summer glass  
stand up everybody  
your not gonna get hurt by this..

so galveston and kerry  
were walking in the park one day  
walking in the park one day

i saw a blister  
i saw a blister on a tree  
i invited it to be me
