It's like a storm at sea  
Everything is closed  
And the fretful sailors  
Calling out their woes  
And each one is closed

They are all gentlemen  
They will hang up  
If there is a reason each of them must go  
To join the cruel, cruel flow

'Cos it'll take a long, long time  
'Cos it'll take a long, long time  
'Cos it'll take a long, long time  
'Cos it'll take a long, long time

There's no need for rules  
No one starts again  
And there is nobody living in this town  
That even knows it's strange

'Cos it'll take a long, long time  
'Cos it'll take a long, long time  
'Cos it'll take a long, long time  
'Cos it'll take a long, long time

You and I will take a long, long time  
We will take a long, long time  
It'll take a long, long time

(Don't stop, you don't stop)
