I've contacted
Someone that I've always wanted
I've contacted
Someone that I've always wanted to be
We'll talk about reality
You and me
We'll talk about cruel uneven reality

The best plan is to stay in one place
If you can't crawl outside, there'll be no
The best plan is to stay in one place
If you can't crawl outside

Meet me at the harbour
I'll meet you where i find you
Communication's found out
