A palace flophouse is the only place to be  
If you ever need any help  
Like if anyone's ever dead  
Like if anyone's ever dead  
She looked up to my face then I walked right by you  
She looked up to my face  
I'll never see you again

A palace flophouse is the only place to be  
If you ever need any help  
Like if anyone's ever dead  
Like if anyone's ever dead

I look out to her face and I walk right by you  
She looked up to my face

I'll never see you again  
I'll never see you again  
I'll never see you again  
I'll never see you again
