Once you give up  
You'll never know  
Everything you could have been and even more  
Don't be to blame  
You gotta keep it moving on

Up the middle and out the end  
Why kid yourself it's not so easy you pretend  
That we are all the same  
When we're playing the game

I need you to  
Tell me you're all right  
It's not the end of our ride  
Tell me you're uptight  
Will you forget about yesterday

Pick up the pieces  
And carry on  
Don't look back  
Don't regret  
Don't become someone always holding on

Tell me you're all right  
It's no the end of our ride  
Tell me you're uptight  
Will you forget about yesterday  
You've said enough  
Not listening  
Not following  
You've said enough  
Take a seat in the back while I wait for you

Tell me it's daylight  
It's not the end of our ride  
Tell me you're uptight  
Will you forget about yesterday

Tell me it's daylight  
It's not the end of our ride  
Dammed if it is  
Dammed if it ain't

Will you forget about yesterday

Dammed if it is

Dammed if it ain't

Will you forget about yesterday

Tell me you're alright

Will you forget about yesterday

Tell me you're alright

Will you forget about yesterday
