"The Fold"

When I step back from the fold
And there is nothing left untold
I will find a way to make it

Bust a break, and let this end
You last excuse is running thin
I will find a way to make it
I will find a way to make it

I'm givin' it all
I'm givin' it all
I'm givin' it all
To feel alive again
I'm givin' it all
To wrestle with my soul again, why can't you
Give it all
To feel alive again
I'm givin' it all
To wrestle with my soul again, why can't you

When I step back from the fold
The thought of emptiness controlled
Still I find a way to make it
I will find a way to make it

I'm givin' it all
I'm givin' it all
I'm givin' it all
To feel alive again
I'm givin' it all
To wrestle with my soul again, why can't you
Give it all
To feel alive again
I'm givin' it all
To wrestle with my soul again, why can't you

Give it all
Give it all
You never listen to your heart
I'll fade away
Misdirected from the start

I'll fade away

I will wrestle with my soul
To feel alive again
I'm givin' it all
To wrestle with my soul again, why can't you
Give it all
To feel alive again
I'm givin' it all
To wrestle with my soul again
Never listen to your heart
To feel alive again
I'm givin' it all
To wrestle with my soul again
Never listen to your
You never listen to your heart
