Have you been rolling (smoking) cigarettes here
Are you a lot like me
'Cos i haven't seen anyone like you here
Are you a lot like me

This is worse
This is worse

Have you been rolling (smoking) cigarettes here
Are you a lot like me
'Cos i haven't seen anyone like you here
Are you a lot like me

This is worse
This is worse

'Cos some people say you're a witch
But i don't believe that
No no i don't believe that
'Cos i think you're alive now

Stop it you say you're a witch
I can't deny you're a witch
I hate all witches

'Cos this the worst one out of you
This is worse
