I couldn't stand up, looking up at the faded party
I couldn't stand up, looking up at a faded party

It was a mistake pageant
It was a mistake from the start
This is a mistake pageant
But it's unsuitable to laugh like the others

Couldn't stand up, looking up I'm at a faded party
I couldn't stand up, looking up at a famous party

It was a mistake pageant
It was a mistake from the start
This is a mistake pageant
And I don't understand the way that you're living

'Cause you've had bad luck
'Cause you've had bad luck
'Cause you've had bad luck
And I know what it feels like to have bad luck

You can't open your eyes
You can't open your eyes
It's vain, or is it just fame?

It was a mistake pageant
It was a mistake from the start
This is a mistake pageant
And I don't understand this way that you're living

'Cause you've had bad luck
'Cause you've had bad luck
'Cause you've had bad luck
And I know what it feels like to have bad luck

Hope that this won't bring you down
These people are obscured by frowns
This won't bring you down
These people, frown

'Cause you've had bad luck
'Cause you've had bad luck

'Cause you've had bad luck
And I know what it feels like to have bad luck

'Cause you've had bad luck
'Cause you've had bad luck
'Cause you've had bad luck
And I know what it feels like to have bad luck
