My wintertime came fast about your drawing pad
And then you told me you didn't like looking closely
You don't like walking home, you're not sure who you
are
And no one knows about your scar

But I told you to shut up once because you're never
there
And you're too old to be scared

'Cause I've been in lots of these bad, bad situations
Paint nothing now, paint nothing now, paint nothing
now

The summertime came fast you still had your drawing
pad
But you told me you couldn't see me correctly
You don't like holding hands, you don't like playing
guitar
And no one knows about your scars

But I've been in, lots of these bad, bad situations
And you'll never get out of this easily now

'Cause I've been in lots of these bad, bad situations
Paint nothing now, paint nothing now, paint nothing
now
Paint nothing now, paint nothing now, paint nothing
now

Send me here, send me there
Repetitions in the air
Send me here, send me there
Repetitions in the air

'Cause I've been in lots of these bad, bad situations
Paint nothing now, paint nothing now, paint nothing
now

I'm calling the art school
Paint nothing now, paint nothing now, paint nothing
now

I'm in the art school
Paint nothing now, paint nothing now, paint nothing
now
Paint nothing now, paint nothing now, paint nothing
now
