The sea is never calm  
It always blows and knows it too  
But I'm alone  
I'm alone  
I'm alone in the satan polaroid  
Yeah!, yeah!, yeah!  
I said it always seems kinda strange  
And the drinking has got under age  
I said it always seems kinda strange like a sad  
happiness  
This is happiness and I fall  
You said you feel so alone  
Dont make me feel so alone  
You said you feel so alone  
Don't make me feel so alone  
What makes you feel so alone?  
Dont make me feel so alone  
So don't feel alone  
The sea is never calm  
It always blows and knows it too  
But I'm alone  
I'm alone  
I'm alone in the satan polaroid  
Yeah!, yeah!, yeah!  
I said it always seems kinda strange  
And the drinking has got under age  
I said it always seems kinda strange like a sad  
happiness  
This is happiness and I fall  
You said you feel so alone  
Dont make me feel so alone  
You said you feel so alone  
  
Don't make me feel so alone  
What makes you feel so alone?  
Dont make me feel so alone  
So don't feel alone  
I need to care about anything  
I need to care about something  
I need to care about something  
I look outside, I look outside, I look out  
Yeah!, yeah!, yeah!

I said it always seems kinda strange  
And the drinking has got under aged  
I said it always seems kinda strange like a sad  
happiness  
This is happiness and I fall  
You said you feel so alone  
Dont make me feel so alone  
You said you feel so alone  
Don't make me feel so alone  
What makes you feel so alone?  
Dont make me feel so alone  
So don't feel alone  
You see that your only young once in this world  
You see that your only young once in this world  
You see that
