peter Evrard - For You

I crown you, queen
of everything tonight
'cause you, went over the line
To show me this time
I got it alright
I can't make you keep graving
All the love I been saving
You're the reason that I've been waiting

All the love I've got in me
Take it baby, 'cause its free
For You!
Only for you
Everything I got to give
If I'm alive I'm gonna live for you
'Cause you've give me something I believe in

Time is living a lie
To get into the past
Oh Yeah
Life in front of my heart
You entered my heart
Made me complete
So don't hold back if you want me
'Cause I feeling strongly
I'm seeing you're never lonely

All the love I got in me
Take it baby, 'cause its free
For You!
Only for you
Everything I got to give
If I'm alive I'm gonna live for you
Only for you

All the love I got in me
Take it baby, 'cause its free
For You!
You gave me something I believe in

Of my heart
I'm home
home in your arms
Oh yeah
Oh yeah-eah-eah!!!!

(instr.)

All the love I've got in me
Take it baby, 'cause its free
For You! (Only for you)
Everything I got to give
If I'm alive I'm gonna live for you
Only for you

All the love I've got to give
If I'm alive I'm gonna live for you
Only for you
When I'm giving all I can
I will give it all again for you

You give me something I believe in
