(Jamai) oeoeoeh, yeah

(Hind) Here we are
WeÂ've come to the end of the road
WeÂ've made some friends along the way
Oeoeoeh yeahhh…
(Dewi) Here we stand
You gave us the time of our live
A memory we will always take

(All) You can win you can lose
ItÂ's all in the game
IsnÂ't live just made the same(Dewi: the same)
(Jim) Always keep believing in yourself
(All) You can win you can lose
ItÂ's all in the game
Feeling joy and feel the pain
(Zosja) EveryoneÂ's a winner and a star
So here we are

(Jim) Here we are
All of us will make a new start
And weÂ're reaching out to you
(JoÃ«l) Each and everyone of us
(Jamai) Will have to walk the road alone
Try to make a dream come true

(All) You can win you can lose
ItÂ's all in the game
IsnÂ't live just made the same
(David) Always keep believing in yourself
(All) You can win you can lose
ItÂ's all in the game
Feeling joy and feel the pain((JoÃ«l) feel the pain girl)
(Marieke) EveryoneÂ's a winner and a star
So here we are

(All) It sounds so beautiful
(JoÃ«l) Just open up your heart((Zosja) up your heart)
(All) Let me sing my song for you
(Bas) I wish we never part((Zosja) never part)
(All) ItÂ's been so wonderful

(Marieke) Those tears in your eyes((Dewi) tears in your eyes)
(All) WeÂ'll stick together((Jamai) together)
(Zosja) Tears of joy may never dry
(Yuli) Oh you came to say goodbye

(All) You can win you can lose
ItÂ's all in the game
IsnÂ't live just made the same
(Jamai) Always keep believing in yourself((JoÃ«l) keep believing in yourself)
(All) You can win you can lose
ItÂ's all in the game
Feeling joy and feel the pain((Yuli) donÂ't you feel the pain)
(Bas) EveryoneÂ's a winner and a star
(All) So here we are

(Zosja) EveryoneÂ's a winner and a star
(All) So here we are
