Come people, come be a part of this whole
Come people, come be a part of this whole
Burning Reggae
Burning Reggae
Burning Reggae

There is no fire but it is
There is no fire but it is
Yes it is
Burning Reggae
Burning Reggae

And you can get your heart desire from
And you can get your heart desire from
From this
Burning Reggae
Burning Reggae

Go tell your friends about it
Go tell your friends about it
Go tell your neighbors about it
Go tell your neighbors about it

Burning Reggae
Burning Reggae
Burning Reggae
Burning Reggae
Burning Reggae

One stop Mr. Driver
One stop the Avenue
I have some friends who work
In the Coliseum
I have some friends who work
In the Coliseum

And I want them to know about,
Know about this

Burning Reggae
Burning Reggae

Burning Reggae
Burning Reggae
Burning Reggae
Burning Reggae

Who Jah bless, no one curse
Give thanks, I'm not the worst
Who Jah bless, no one curse
Give thanks, I'm not the worst

Come people, come be a part of this whole
Burning Reggae
