Pain... welcomes me on it's daily show
Forcing me to take the hardest of the roads

Helpless... I will be as my energy running low
I can't see nothing more just the pain I feel

... Save me...

[CHORUS]

THE COLDNESS OF THIS WORLD
THE CRIES ARE NEVER HEARD, I'm ICEBOUND
THIS ISOLATED WORLD
WHERE EVER I WILL TURN, I'm ICEBOUND

My mind breaks I'm giving up to the endless black
I feel unsafe and the feeling grows there's no returning
back

... Save me...

[CHORUS]

THE COLDNESS OF THIS WORLD
THE CRIES ARE NEVER HEARD, I'm ICEBOUND
THIS ISOLATED WORLDS
WHERE EVER I WILL TURN, I'm ICEBOUND

... Spark of light in the morning makes me think of the
better days
God of the sun the one I'm calling clear the sky and let
me live... again...
