Could it be the saviour who'll get you out of here
(But) it turned out as a failure, the core, your biggest
fear...

Words can be so fatal, you're reaching much too far
Silence in the graveyard, it's nothing and it's all

[BRIDGE]

It all was gone in a moment
Tragically you lost all to me...

Finish what you've started, I've been taught to act
You live your life so guarded, it's so true and sad...

[BRIDGE]

It all was gone in a moment
Tragically you lost all to me...

[CHORUS]

My reign, My fire
I'm claiming the throne It belongs to me (It belongs to
me)
My reign, My fire
And finally it's the end of tyranny, misery, we all see...

[SOLO / Pekka]

[BRIDGE]

It all was gone in a moment
Tragically you lost all to me...

[CHORUS]

My reign, My fire
The kingdom is mine It belongs to me (It belongs to me
)
My reign, My fire
And finally it's the end of tyranny, misery, we all see...
My reign, My fire
I'm claiming the throne, this kingdom is mine, it
belongs to me
My reign, My fire
And finally it's the end of tyranny, misery, we all see...
