You act like a king of 1000 dreams  
The superstar of mankind

You're blocking my view  
You're not worth the pain  
The chances are few  
Still you drive me insane

Masters of mediocrity  
The rulers of the world

You're blocking my view  
You're not worth the pain  
The chances are few  
Still you drive me insane

Always, why is it always  
Only the wrong will survive  
No change, there is no change  
Only the wrong will survive

To the eyes of the world  
You're nowhere in sight  
Who's the ruler of mankind

From the start to the end  
This world I make believe  
My wound do not mend  
I'm going insane

Always, why is it always  
Only the wrong will survive  
No change, there is no change  
Only the wrong will survive

Wings of fire burn down my nightmare  
Endless desire will keep my flame...  
Keep my flame alive

Always, why is it always  
Only the wrong will survive  
No change, there is no change

Only the wrong will survive
