So when the sun goes down
And we move along
I will call on you
Call on you

When the sun goes down
And we move along
I will call on you
Call on you

Are you ready?
Are you ready?
Are you re-eh-ady?
I will call on you

No cry my brother, cryin'
No stall no no no stall
No time to lose, time to lose
We must go on soon
Yes we must

So when the sun goes down
And we move along
I will call on you

Call on you

When the sun goes down
And we move along
I will call on you
Call on you

Are you ready?
Are you ready?
Are you re-eh-ady?
I will call on you

No cry my brother, cryin'
No stall no no no stall
No time to lose, time to lose
We must go on soon

Yes we must
Call on you
We must go on soon
Call on you
When the sun goes down
Call on you
And we move along
Call on you
