Anata ni aitai to negai tsuzukete
Kyou mo mata tabi wo yuku hatenaki aozora
Yorokobi to kanashimi kibou sore kara zassetsu
Kurikaeshi kurikaeshi nani ka wo shinjite

I continue wishing to meet you
Today we'll go on a journey, endless as the blue sky
With joy, sorrow and hope come setbacks
It repeats, it repeats what should I believe?

Ai ni tsuite nani mo shiranai keredo
Itsuka anata no nukumori no naka de
Ai wo kataru hi wo yumemite watashi ha
Ashita mo tabi wo ikiru

You know nothing about love, however
Someday you will feel warmth inside
I dream of the day when you will speak of love
Tomorrow, the journey will exist

Kaze ni kaze no michi ga hoshi ni hoshi no michi ga
Toritachi ni toritachi no michi ga aru youni
Watashi ni ha watashi no michi ga aru no darou
Ippouzutsu ippouzutsu yume wo utagawazu ni

There's a road in the wind, and a road in the stars
And a road in the birds
Is there also a road within me?
With each step my dream becomes more doubtful

Ai ni tsuite nani mo shiranai keredo
Itsuka anata to meguriau made ni
Ai no nani ka wo shiritakute ashita mo
Kitto tabi wo ikiru

You know nothing about love, however
Someday you and I will meet again
Tomorrow we both would like to learn about love
Surely, the journey will exist
