Motto jibun wo aishite gorannasai
Akiramekaketa yume ga mata mietekuru
Kitto minna sonna ni tsuyokunai
Aozora ga sekaijuu no namida suiagete...

Try to love yourself more
Abandoned dreams can be seen again
Surely, not everyone can be so strong
The blue sky lifts all of the world's tears...

Ashita no yuuki kureru
Mirai kara unmei ha kuru no yo

Tomorrow's courage comes
From the future that gives us our fate

Motto ano hito motomete gorannasai
Kokoro wo ataeau no
Ano hito mo anata motometeru

Try to seek for them more
Give your heart to
That person whose also seeking you

Motto omoide aishite gorannasai
Yorokobi mo kanashimi mo kagayaitekuru
Kitto sore ha ikiteru subarashisa
Hidarimune ni te wo ate kodou tashikamete...

Try to love your memories more
Joy and sadness are shining
Surely, living is wonderful
My hand is upon the left side of my beating chest...

Ashita he arukidasu no
Shiawase to surechigawanai youni

Tomorrow start walking
You won't cross paths with happiness

Motto ano hito mitsumete gorannasai
Kireina anata ga ima

Hitomi ni utsutte waratteru

Try to look at them more
You're beautiful now that
Your eyes are filled with laughter

Ashita no yakusoku ni ha
Itsudatte machigai ga aru kedo

Tomorrow I promise that
There will always be mistakes but

Motto ano hito motomete gorannasai
Kokoro wo ataeau no
Ano hito mo anata motometeru

Try to seek for them more
Give your heart to
That person whose also seeking you
