i'll meet you on the edge of el dorado  
and we can dance in the mountains  
until the end comes  
this is going to be a slaughter house jive  
i am midas and you are my bride  
if there were one way for one man to start a war lincoln  
this would be it  
arsenals tip top for a turvy investigation we'll take the  
guns if youll take a bullet or two  
the medics are quite for from restoration one more  
and your through  
arms to the sky lock up the room bolts in the fire eyes  
on the boon  
the ambulance wont be here for quite a whilelets savor  
our time together kid i like your style  
i'll meet you on the edge of el dorado  
and we can dance in the mountains until the end  
comes  
this is going to be a slaughterhouse jive  
i am midas and you are my bride  
you are cordially invited to a gun down dance party

well all wear masks and dance till 12  
there is something wrong with this picture  
that man is a zombie  
this is a war  
and we are soldiers  
bobby soxers  
and drug store romeos
