But I am your crazy driver
Honey, I'm sure to steer you 'round
I am dying in any story
I'm only living and I sing this song
Just the same, baby

I need somebody, baby
I need somebody too
I need somebody, baby
Just like you, just like you, just like you

Well, I'm losing a lot of my feelings
And I'm running out of friends
You know you lied to me in the beginning
Baby now you're gonna try to bring me
Try to bring me to the end

I need somebody, baby
I need somebody too
I need somebody, baby
Just like you, just like you, just like you

Well, now it's time to leave this signal
The interference is too strong
Yeah, I got my reputation
Ride them airwave, now too long

I need somebody, baby
I need somebody too
I need somebody, baby
Just like you, just like you, just like you

Somebody like you, somebody like you, somebody like
you
Just like you, just like you, just like you, just like you
Somebody, somebody, some
Just like you
