Dance to the beat of the livin' dead  
Lose sleep baby and stay away from bed  
Raw power is sure to come a-runnin' to you

If you're alone and you got the feel  
So am I baby let's move on out of here  
Raw power is sure to come a-runnin' to you

Raw power got a magic touch  
Raw power is a much too much  
Happiness is guaranteed  
It was made for you and me

Raw power honey just won't quit  
Raw power I can feel it  
Raw power hear it, can't be beat  
Poppin' eyes and fast and young feel

Don't you try, don't you try to tell me what to do  
Everybody always tryin' to tell me what to do

Look in the eyes of the savage girl  
Fall deep in love in the underworld  
Raw power is sure to come a-runnin' to you

If you're alone and you got the shakes  
So am I baby, I got what it takes  
Raw power is sure to come a-runnin' to you

Raw power got a healin' hand  
Raw power can destroy a man  
Raw power is so more than soul  
Got a son called rock and roll

Raw power honey just won't quit  
Raw power I can feel it  
Raw power honey can't be beat  
Get down baby and kiss my feet

Everybody always tryin' to tell me what to do  
Don't you try, don't you try to tell me what to do  
Everybody always tryin' to tell me what to do

Don't you try, don't you try to tell me what to do

Raw power's got no place to go  
Raw power honey it don't want to know  
Raw power is guaranteed  
Raw power is laughin' at you and me

And this is what I wanna know  
Can you feel it? Can you feel it?  
Can you feel it? Can you feel it?  
Can you feel it? Can you feel it?

Raw power, raw power  
Raw power, raw power  
Can you feel it? Can you feel it?  
Raw power, raw power

Raw power, raw power  
Raw power, raw power  
Can you feel it?
