Sweet sixteen and her leather boots,
Body and soul,
I go crazy.

Baby, baby, I'm a hungry sweet sixteen.
Funky bar all full of faces, beautiful faces.
Body and soul, body and soul,
I give to you.

I am an easy mark with my broken heart,
Sweet sixteen.
Show you my exposition,
Sweet sixteen.

Go out to the funky bar,
I get hurt, crying inside.
Cause everybodies so fine and,
They don't need me.
Tell me what can I do,
Sweet sixteen.

Give you my body and soul,
I must be hungry,
Cause I go crazy over your leather boots.
Now baby, I know,
That's not normal.
Well, I love you.
I love you, I love you,
Sweet sixteen.
