This ain't the right thing to do, so let's go

Young girls, they know what they're after  
Young girls, don't kiss me, goodbye  
Rockets, shooting up into space  
And buildings, they rise to the skies

Bang bang, I got mine  
Bang bang, reach for the sky

I keep a good friend on video tape  
He'll drive his sports car until it's too late  
But we'll have a hot time on the town tonight  
'Cause love is my gadget, and it's the best, yet

Bang bang, I got mine  
Bang bang, the sun don't shine  
Bang bang, oh, what a hard time  
Bang bang, now, I ought to be in pictures, let's go

Oh girl, oh girl, my problems can't follow me  
Phone calls, I take my machine  
I wander lonely to the sea  
Lonely, what does it mean, who me?

Bang bang, I got mine  
Bang bang, and you are next in line  
Bang bang, and they're telling me it's mad  
Hear  
Bang bang, have a glass of wine

Bang bang, rise buildings  
Bang bang, rise to the sky  
Bang bang, young girls they know what they're after  
Bang bang, young girls, don't kiss me, goodbye  
Don't kiss me, goodbye

Bang bang, bang bang, bang bang, bang bang
