Pop/bowie

I could escape this feeling  
With my china girl  
I'm just a wreck without  
My little china girl  
I'd hear hearts beating  
Loud as thunder  
See the stars crashing  
I'm a mess without  
My china girl  
Wake up mornings there's  
No china girl  
I'd hear hearts beating  
Loud as thunder  
I'd see the stars crashing down  
I'd feel tragic  
Like I was marlon brando  
When I'd look at my china girl  
I could pretend that nothing  
Really meant too much  
When I'd look at my china girl  
I'd stumble into town  
Just like a sacred cow  
Visions of swastikas in my head  
And plans for everyone  
It's in the white of my eyes  
My little china girl  
You shouldn't mess with me  
I'll ruin everything you are  
I'll give you television  
I'll give you eyes of blue  
I'll give you men who want  
To rule the world  
And when I get excited  
My little china girl says  
Oh jimmy just you  
Shut your mouth  
She says "shhhh..."
