I'm a football, baby
Rollin' round the field
I've been passed and fumbled
Till I don't know what I feel

Everybody's the same
They're all footballs too
Setting up the big play
And trying to score

I'm a football, baby
In a football game
I'm a football, baby
Run, kick

Life's a football game
Pass every chump and champ knows
We don't touch, we collide
Till we're worn out inside

We're kicking each other
Right where it hurts
Setting up the big play
And trying to score

I'm a football, baby
In a football game
I'm a football, baby
Hit

I'm a football, baby
In a football game
I'm a football, baby
Block, pass

I'm a football, baby
In a football game
I'm a football, baby
Run, kick, hit, goal
