Fun - Hey baby we like your lips  
Fun - Hey baby we like your pants  
All aboard for funtime  
Fun - Hey, I feel lucky tonight  
Fun - I'm gonna get stoned and run around  
All aboard for a funtime  
Fun - Last night I was down in the lab  
Fun - Talkin' to Dracula and his crew  
All aboard for funtime  
Fun - I don't need no heavy trips  
Fun - I just do what I want to do  
All aboard for funtime  
Fun - Baby baby we like your lips  
Fun - Baby baby we like your pants  
All aboard for funtime  
Fun - Everybody we want in  
We want some we want some  
All aboard for funtime  
Fun - Baby baby we like your lips  
Fun - Baby baby we like your pants  
All aboard for funtime
