Fun
hey baby we like your lips
Fun
hey baby we like your pants
all aboard for funtime
Fun
Hey, I feel lucky tonight
Fun
I'm gonna get stoned and run around
All aboard for funtime
Fun
Last night I was down in the lab
Fun
Talkin' to Dracula and his crew
All aboard for funtime
Fun
I don't need no heavy trips
Fun

I just do what I want to do
All aboard for funtime
Fun
Baby baby we like your lips
Fun
Baby baby we like your pants
All aboard for funtime
Fun
Everybody we want in
Fun
We want some we want some
All aboard for funtime
Fun
Baby baby we like your lips
Fun
Baby baby we like your pants
All aboard for funtime
