I'm so messed up I want you here
In my room I want you here
Now we're gonna be face-to-face
I'll lay right down in my favorite place

Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog

Now I'm ready to close my eyes
Now I'm, I'm ready to close my mind
Now I'm ready to feel your hand
And lose myself on the burning sands

Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog

C'mon

Now I'm ready to close up my eyes
Some goddam pervet, I gotta close off my mind
I'm finally ready to feel your hand
I wanna lose my life on the burning sands

Now I wanna be your dog
Now I wanna be your dog
Now I wanna be your dog
