Goodbye Betsy im goin' away  
I'm sick of you and there aint no way  
Don't want to know, don't want to see  
Don't you ever bother me  
Sick of hanging around your pad  
Sick of your Mom and sick of your Dad  
Yeah and Betsy,  
Its sad but true,  
Now im even sick of you.  
No way, no way, no way  
No way, no way, no way  
No way, for our love  
No way for our love  
'cause im sick of You.  
Good bye Betsy im going away.  
Sick of you and i don't wanna stay  
Don't want to know, don't want to see  
Don't you ever bother me  
Sick of hanging around your pad  
Sick of your mom and sick of your Dad  
Yes and Betsy it's sad but true  
Now im even sick of you.  
No way, no way, no way  
No way, no way, no way  
No way, for our love,  
No way for our love  
'cause im sick of you  
Every evening and every day,  
Seem to always turn out this way,  
To get an end  
I better find new love,  
Then you'll pay,  
Then you'll pay,  
Aint no way.  
'cause im sick of you.  
Goodbye Betsy im going away,  
Sick of you and i don't wanna stay  
Don't want to know , don't want to see  
Don't you ever, bother me ....
