My mommy told me  
If I were goody  
That she would buy me  
A rubber dolly

I got some energy to burn  
It makes me jumpy and nervous  
But I'm too damn old to join the military service  
Hup two, three, four

I got to hit my baby on a Saturday night  
You know the devil made me do it  
I know it wasn't right

Like a loco mosquito  
'Round and 'round and 'round I go  
And when I'm hungry  
Down I go

Please Mr. Custer I don't wanna go  
Spend my night in a bar with some stupid dodo  
I'm sick of hanging 'round with old transvestites  
They stare at my rubbers, it makes me uptight

And here I go  
In love again  
Here I go, oh wo wo  
Like a loco mosquito

Loco mosquito  
Loco mosquito  
Herohito

I got some energy to burn  
But you always want to tap it  
You're busy sucking on my gas tank  
Before I can tap it

Like a loco mosquito  
'Round and 'round and 'round I go  
And when I'm hungry  
Down I go, oh

Loco mosquito  
Loco mosquito
