I met a little girl
With a heart of stone
She said she wanna give me
An instant bone
I took her for a ride
In my classic car
We didn't even stop
At a whiskey bar
Her titties look hard
And her booty's got a rise
Soon my hands will be
Where I'm putting my eyes
Steady energy and??? urgency
We got out of the car
Now here we are
At the motor inn (3x)
I guess we're living in sin
She's got 3 kids and a husband at home
He doesn't have a clue how to make her groan
I'm waiting in the room gonna do it like hell
Come on baby, come on baby ring my bell
At the motor inn (3x)
I guess we're living in sin
There's gonna be a war
So we gotta be quick
The place is full of desperate, horny
Chicks and dicks
The ex-president is in number six
I hard can hardly wait to get my licks
At the motor inn (3x)
Baby we're living in sin
(2x)
Baby do you wanna, do you wanna, do you wanna
I wanna
Baby are you gonna, are you gonna, are you gonna
I'm gonna
Baby do you got it, do you got it, do you got it
I got it
Oh, I fucking know you got it, oh, I fucking know you got
it
Girl I know you got it, baby, yeah you got it
I got it

Yeah I know you got it, baby yeah you got it
Well I got a babe she look so fine
I got a girl whose titties are mine
Great big titties
Titties
Big brown titties
I love those titties, I love those titties
You love'em
Tittittittittittitites...
At the motor inn
Motor inn
Motor inn
I guess we're living in sin
Let's motor
All right, let's fucking motor
You wanna motor
I take you to the motor inn
Taking me to the fucking motor inn
At the motor inn (3x)
Motor inn
At the motor inn
Motor inn (3x)
