I'm healthy as a horse
Ahh, but everything is spinnin'
And if I use a gun
I'm sure to go to prison

I'm stubborn as a mule
And nobody breaks my rules
Ahh, but nothin' comes my way

I've got a hard-ass pair of shoulders
I've got a love, you can't imagine
Yeah, and what I got, I double
I swear, I'm keepin' out of trouble

I'm lookin' for one new value
I'm lookin' for one new value
But nothing comes my way

We live in the same world
We were young in the 20th century
[Incomprehensible]
[Incomprehensible]

Ahh, but nothin' comes my way
