Say, "Ta"  
Ta ta ta

Eisenhower saw the thing  
He said "This is sickening"  
I swear I saw the very thing  
I saw it in America

Let's play safe  
I never knew how  
How to play safe?  
You told me how  
How to play safe?  
A thousand times  
I don't believe in fairies  
Any more

Today I saw a very, very thing  
But that's another song  
You're too simple minded  
Let's play it safe

What do we have in common?  
Play it safe  
What do we have in common?  
Play it safe

I want to be a criminal  
Play it safe  
I want to be a criminal  
Play it safe

What do we have in common?  
Play it safe  
What do we have in common?  
Play it safe

I want to be a criminal  
Play it safe  
I want to be a criminal  
Play it safe

What do we have in common?  
Play it safe  
What do we have in common?  
Play it safe

I want to be a criminal  
Play it safe
