The other day I was walking down 14th Street  
It was a beautiful summer day  
The sun was shining  
And I found myself surrounded by latin american and  
dark women

And as I looked at their ankles,  
Their knees and their thighs,  
And the curve of their bodies,  
Their mysterious eyes  
I couldn't help but thinking about their pussies  
And I asked myself

Can your pussy talk  
Can your pussy talk  
Can your pussy smile  
Can your pussy frown  
Can your pussy prance  
Can your pussy dance  
Can your pussy walk  
Can your pussy talk  
Pussy, pussy walk

Now you know from time to time  
My musical group and I have occasion to visit  
The high schools, jr. high schools and  
Other centers of learning in this wonderful land of  
The united States of America  
And when I do, from time to time  
I run into the young girls that attend these places  
And I see them smiling at me with their young girl  
clothes  
And while i smile back, I never say anything  
But inside I'm thinkin  
Can your pussy walk  
Can your pussy talk  
Can your pussy smile  
Can your pussy frown  
Can your pussy love

Can your pussy shove  
Can your pussy dance

Can your pussy prance  
Pussy, pussy walk

And then of course  
Now all you men can relate to this  
How sometimes you're supposed to go out of the house  
And get something done  
Like you're supposed to go to the store  
And just go get a bottle of milk  
Or just go to your job  
And do it good and come back home  
But on the way, my God  
There's a girl, and there's another girl, and there's  
another girl  
And pretty soon you're surrounded  
And your eyes are going one way  
And your head is going another way  
And your nose is going up  
And your nose is going down  
And you're thinking about that pussy  
And it's become a real distraction  
And you've gotta ask yourself  
Can your pussy walk  
Can your pussy talk  
Can your pussy smile  
Can your pussy frown  
Can your pussy dance  
Can your pussy prance  
Can your pussy love  
Can your pussy shove  
All right  
Pussy...Pussy walk  
Now walk it now  
Pussy pussy pussy pussy pussy pussy walk  
Pussy pussy pussy pussy pussy pussy walk  
Pussy pussy pussy pussy pussy pussy walk
