Dance to the beat of the livin' dead
Lose sleep baby and stay away from bed
Raw power is sure to come a-runnin' to you

If you're alone and you got the feel
So am I baby let's move on out of here
Raw power is sure to come a-runnin' to you

Raw power got a magic touch
Raw power is a much too much
Happiness is guaranteed
It was made for you and me

Raw power honey just won't quit
Raw power I can feel it
Raw power hear it, can't be beat
Poppin' eyes and fast and young feel

Don't you try, don't you try to tell me what to do
Everybody always tryin' to tell me what to do

Look in the eyes of the savage girl
Fall deep in love in the underworld
Raw power is sure to come a-runnin' to you

If you're alone and you got the shakes
So am I baby, I got what it takes
Raw power is sure to come a-runnin' to you

Raw power got a healin' hand
Raw power can destroy a man
Raw power is so more than soul
Got a son called rock and roll

Raw power honey just won't quit
Raw power I can feel it
Raw power honey can't be beat
Get down baby and kiss my feet

Everybody always tryin' to tell me what to do
Don't you try, don't you try to tell me what to do
Everybody always tryin' to tell me what to do

Don't you try, don't you try to tell me what to do

Raw power's got no place to go
Raw power honey it don't want to know
Raw power is guaranteed
Raw power is laughin' at you and me

And this is what I wanna know
Can you feel it? Can you feel it?
Can you feel it? Can you feel it?
Can you feel it? Can you feel it?

Raw power, raw power
Raw power, raw power
Can you feel it? Can you feel it?
Raw power, raw power

Raw power, raw power
Raw power, raw power
Can you feel it?
