Tell me a story
What must I do to take a holiday
Show me a bill that they can make me pay

Tell me a story

And maybe I'll believe it
Me I'm just a lucky guy

Young and free

Too hard to cry
Lorna from my school she's 21
She's good looking and a married girl so

Tell me a story

Tell me stories
And man I ain't complaining
Me I'm just a lucky guy

Too tough to cry
Young and hard
Standing in a show

The lights ain't low
They're shining down on me
And I like, I like it

Just like I like I like it

I'm taking like I find it
What did they do to chill the joy away
What did they do to say you had to pay
And pay

And pay
Tell me stories
You know I never can believe them

Never ever
Me I'm just a lucky guy

I'm young and free
Too dumb to cry
What must I do to take a holiday
Show me a bill that they can make me pay
Tell me a story

And maybe I'll believe it
Me I'm just a lucky guy

I'm Young and free

Too hard to cry
