I have heard among this clan  
You are called the forgotten man  
Know what they're saying, well, did you evah?  
What a swell party this is

And have you heard the story of  
A boy, a girl, unrequited love  
Sounds like pure soap opera  
I may cry  
Tune in tomorrow  
What a swell party this is

What frills, what frocks  
What broads  
What furs, what rocks  
They're bootiful  
Why I've never seen such gaiety  
Neither have I  
It's all just too, too risqué really

This French champagne  
Domestic  
So good for the brain  
That's what I was going to say  
You know you're a brilliant fellow?  
Why thank you  
Pick up jack, but please don't eat that glass my friend

Have you heard about dear Blanche?  
Got run down by an avalanche  
No  
Oh, don't worry, she's a game girl you know  
Got up and finished 4th  
The kids got guts  
Having a nice time? Grab a line

Have you heard that Mimsie Starr  
Oh, what now  
She got pinched in the Astor bar  
Sloshed again, eh?  
She was stoned  
Well, did you evah?

Never  
What a swell party this is

Hey, check out that act  
That's a lovely dress  
You think I can talk her out of it?

It's great  
Aah, it's great  
So grand  
So grand  
It's wonderland

We sing  
Oh, we sing  
So rare  
So rare  
Like old Camembert  
Like baba au rhum  
Don't dig that kind of crooning chum

Have you heard? It's in the stars  
Next July we collide with Mars  
Well, did you evah?  
What a swell party, a swell party  
A swelligant, elegant party this is

I drink to your health  
Naw, let's drink to your wealth  
You're my bon ami  
Hey, that's French  
A liberty fraternity

Have you heard? It's in the stars  
Next July we collide with Mars  
Well, did you evah?  
What a swell party, swell party  
Swelligant, elegant party this is
