Aggression

The bone is broken

The vein is cut

Entrails of people torn to shreds

The world watches

No country gives a shit

No one a finger to lift

Following orders

Dismembering others

Disgusting bounty

Destroy the whole country

The butcher of bosnia

Your worst enemy

Starvation disease

One way ticket

Hung from a cousins rope

No reason or time or left for hope

A brother rapes another brothers sister

You will see the day

The gods will repay you

Aggression

The bone is broken

The vein is cut

Entrails of people torn to shreds

The world watches

No country gives a shit

No one a finger to lift

Following orders

Dismembering others

Disgusting bounty

Destroy the whole country

The butcher of bosnia

Your worst enemy

Starvation disease

One way ticket

Hung from a cousins rope

No reason or time or left for hope

A brother rapes another brothers sister

You will see the day

The gods will repay you

Aggression

And so it goes

The ends up to you
To stop the killing of those
Innocent one's
Stop racism
Stop fascism
Stop hatred
Stop hatred
The bone is broken
The vein is cut
Entrails of people torn to shreds
The world watches
No country gives a shit
No one
A finger
To lift
